Gradings: (record first /then cover)

- m** (mint - the record looks / and plays like the new one)
- ex** (excellent - few light noises or scratches / almost unvisible damages, mostly because of the age)
- vg** (very good - listenable noises and scratches, but to hear only between the tracks, without sound distortion - still good sound quality / slight, but visible damages)
- g** (good - numerous and strong listenable noises and scratches, to hear also during the music plays; lower sound quality / strong visible, but still small damages)
- w** (worn - very strong noises and scratches, but the record is still playable / strong and spacious damages: destroyed parts of printing, big stains, cover waved after getting wet etc.)
- f** (fair - unplayable / totally torn or incomplete)

All the records were really graded during the listening to these.
